Weekly Project Updates in Kalamazoo Township

Kalamazoo, MI-

In an effort to keep Kalamazoo Township citizens informed of the latest traffic and road maintenance operations in the Township by the Road Commission, we have provided the following update for the **week of May 2, 2016.**

“This information is made available to assist residents in preparing and planning for construction projects in your neighborhoods,” Joanna Johnson, Managing Director of the Road Commission said. **“Please be patient, alert, slow down, stay informed, and be cautious when approaching a work zone.** Remember, these projects signify progress in improving our infrastructure and are a valuable investment.”

Please note: This information is subject to change. Projects, road closures and timing can change from day to day, depending upon a number of factors, and traffic delays can develop in a matter of minutes due to weather conditions, emergency situations, etc.

Road:	Various Roads
Community:	Westwood Neighborhood
Current Status:	Installing new storm water leaching basins and rebuilding some of the existing structures. There will be delays during this work, seek alternate routes if available.
Detour:	None
Project Information:	Cleaning drains and inspecting condition/performance of drains. Installing new storm water leaching basins and rebuilding some of the existing structures. Asphalt milling and paving to various depths.
Start Date:	May 2, 2016
End Date:	June 3, 2016
