Weekly Project Updates in Kalamazoo Township

Kalamazoo, MI-

In an effort to keep Kalamazoo Township citizens informed of the latest traffic and road maintenance operations in the Township by the Road Commission, we have provided the following update for the **week of September 5, 2016.**

“This information is made available to assist residents in preparing and planning for construction projects in your neighborhoods,” Joanna Johnson, Managing Director of the Road Commission said. **“Please be patient, alert, slow down, stay informed, and be cautious when approaching a work zone.** Remember, these projects signify progress in improving our infrastructure and are a valuable investment.”

Please note: This information is subject to change. Projects, road closures and timing can change from day to day, depending upon a number of factors, and traffic delays can develop in a matter of minutes due to weather conditions, emergency situations, etc.

Road:	Various Roads
Community:	Westwood Neighborhood
Current Status:	Possible milling and paving Hot Mix Asphalt on various streets. There will be delays and possible road closures during this work, seek alternate routes if available. Extensive road reconstruction work on Cumberland will continue this week, including driveway approach replacement. Please remember that newly placed concrete will need 10 days to fully cure. Recent heavy rain events have caused flooding and setbacks in contractors schedules. Your patience and understanding is appreciated as we work through these challenges.
Detour:	None
Project Information:	Cleaning drains and inspecting condition/performance of drains. Installing new storm water leaching basins and rebuilding some of the existing structures. Asphalt milling and paving to various depths.
Start Date:	May 2, 2016
End Date:	End of September, 2016
Contact:	Kalamazoo Township: Don Martin; martindd@ktwp.org /269-251-7377 Road Commission: (269) 381-3171 or info@kalamazooountyroads.com
