Kalamazoo County

IMPORTANT TRAVELER'S NOTE: MAJOR STATE ROUTE CHANGES

During 2019, the state trunkline highway routes through downtown Kalamazoo—**BL I-94, BUS US-131, M-43** and the unsigned **M-331** (S. Westnedge Ave and S. Park St)—became city streets and are now maintained by the City of Kalamazoo. Most notably, **M-43** no longer travels from Richland through Kalamazoo. Instead **M-43** now follows M-89 to Plainwell in Allegan County, then follows US-131 southerly back to West Main St. **Gull Rd** between Richland and Kalamazoo is now **M-343**. **Business Loop I-94** is now **Business Spur I-94** and ends at Mills St. **Business Route US-131** only exists north of the City of Kalamazoo, also becoming a spur route. The **magenta** routes on the map (Stadium Dr west of Rambling Rd and W Main St between Douglas and US-131) are now unsigned state trunklines which may be turned back to local control at a future date.

For township boundary roads, certification of that road falls to the township in which the street name appears. For example, S. 36th St. falls between Brady and Wakeshma Townships, but the street name appears in Wakeshma Township. Thus, S. 36th St. at this location is certified under Wakeshma Township.

CONNECT TO ROAD COMMISSION ALERTS

RCKC CONNECT — RCKC Alerts Sign Up Now

The Road Commission of Kalamazoo County (RCKC) announces **RCKC CONNECT**, a mass notification service that allows RCKC to send citizens voice and/or text messages to home phones, businesses, local agencies and mobile phones in just minutes regarding road closures, detours and road construction projects. Citizens can choose to receive notifications about RCKC events that may affect their home, workplace, schools and more.

RCKC CONNECT is also a great way for the RCKC to remind citizens of upcoming public meetings and RCKC General News.
