Dear Resident/Property Owner(s),

The Road Commission of Kalamazoo County (RCKC) is planning to make improvements in Kalamazoo township to Barney Road between Nichols Road and Douglas Street, and to the intersections of Mosel Avenue at Douglas Avenue, Westnedge Avenue, Burdick Street, and Riverview Drive, during the construction season of 2022. The RCKC is also planning to make pavement marking changes to Douglas Avenue during a resurfacing project on that roadway in the construction season of 2023.

The Barney Road project will include reconstruction, drainage improvements, curb and gutter work, milling, and hot mix asphalt (HMA) overlay of Barney Road. The Mosel Avenue project will include traffic signal replacements and upgrades for the intersections of Mosel Avenue at Riverview Drive, Burdick Street, Westnedge Avenue, and Douglas Avenue. The Douglas Avenue project will include milling and paving the road surface along with converting the roadway to a consistent 3 lane section.

We invite you to attend the public information meeting to be held on April 6th at 6:00pm. The meeting will be held at North Park Reformed Church, located at 1316 Barney Road, Kalamazoo, MI 49004. Please park on the East side of the church if possible.

If you're unable to attend this meeting, we will have a link to a recording of the project posted on our website following the meeting here: <https://www.kalamazoocountyroads.com/projects.php>.

We're excited to bring this updated infrastructure to your area, and we appreciate your patience throughout the process.
