Re: U Avenue Project
Project No. 210016

Property Owner
Street Address
City, State Zip

Dear Property Owner,

The Road Commission of Kalamazoo County is planning to make improvements to U Avenue between Oakland Drive and Portage Road this year. This project includes a left-turn lane (on Portage Road), reconstruction, milling, and hot mix asphalt (HMA) overlay. A temporary mailbox move may be required to complete this project. Mailboxes are expected to be moved between March and October, if necessary. Residences impacted by this will receive notice from Moore & Bruggink, the engineering firm hired for the project, as it gets closer to the project start date.

If your property has a concrete driveway, further action will be required in this project. You will receive separate correspondence regarding this with additional information.

We encourage you to attend the project public information meeting to be held on April 7, from 12:00pm to 1:00pm on Zoom. You may either join the meeting on the Zoom app, www.zoom.us or by calling in at (646)558-8656. The Meeting ID is 954 2576 6038. There is no passcode required to join the meeting. If you're unable to attend during that time, we will have a link posted to the recording on our website here: <https://www.kalamazoocountyroads.com/projects.php>.

We're excited to bring this updated infrastructure to your area, and we appreciate your patience throughout the process. If you have any questions, please use the [Contact Us/Service Request](#) form on our website.

Sincerely,

The Road Commission of Kalamazoo County
