Weekly Project Updates in Kalamazoo Township

Kalamazoo, MI-

In an effort to keep Kalamazoo Township citizens informed of the latest traffic and road maintenance operations in the Township by the Road Commission, we have provided the following update for the ***week of May 15, 2017***.

“This information is made available to assist residents in preparing and planning for construction projects in your neighborhoods,” Joanna Johnson, Managing Director of the Road Commission said. ***“Please be patient, alert, slow down, stay informed, and be cautious when approaching a work zone.*** Remember, these projects signify progress in improving our infrastructure and are a valuable investment.”

Please note: This information is subject to change. Projects, road closures and timing can change from day to day, depending upon a number of factors, and traffic delays can develop in a matter of minutes due to weather conditions, emergency situations, etc.

Road:	Various Roads
Community:	Westwood Neighborhood
Current Status:	Contractors will continue working on installing new storm water leaching basins and rebuilding some of the existing structures. There will be delays during this work, so please seek alternate routes if available. Weather permitting contractors should complete all drainage work this week in the Westwood Neighborhood.
Detour:	None
Project Information:	Cleaning drains and inspecting condition/performance of drains. Installing new storm water leaching basins and rebuilding some of the existing structures. Asphalt milling and paving to various depths.
Start Date:	April 24, 2017
End Date:	July 30, 2017
Contact:	Kalamazoo Township: Don Martin; martindd@ktwp.org / 269-251-7377 Road Commission: (269) 381-3171 or info@kalamazooountyroads.com

Road: Various Roads
Community: **Northwood Neighborhood**
Current Status: Contractors will begin working on installing new storm water leaching basins and rebuilding some of the existing structures. Most of the work will be in the Barclay Hills Subdivision. There will be delays during this work, so please seek alternate routes if available. Weather permitting contractors should complete all drainage work this week in the Westwood Neighborhood.
