Date: May 6, 2026

****MEDIA ADVISORY****

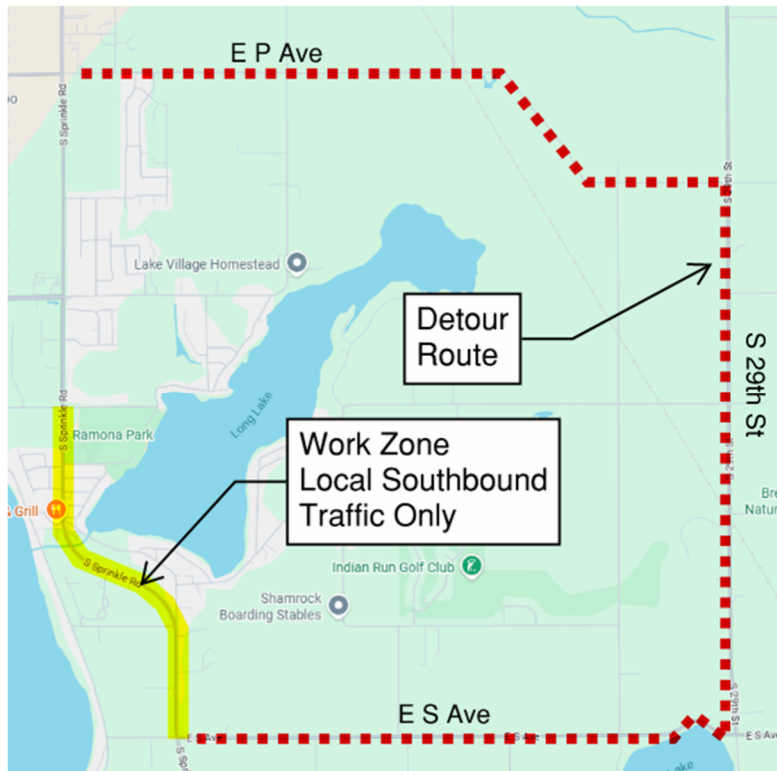

SPRINKLE RD FORCE MAIN PROJECT

Beginning on Thursday, May 7, 2026 Sprinkle Road will be closed to thru traffic from Zylman Ave to S Ave for installation of sanitary sewer force main. The Zylman Ave and Sprinkle Rd traffic signal will be converted to a four way stop. Sprinkle Road from Zylman Ave to Branch Ave will be converted to a signal lane of one-way traffic going south bound for local traffic only, north bound traffic will not be permitted. All northbound traffic on Sprinkle Road between Zylman and Branch Ave will be directed to the existing posted detour route. Please be aware that the work zone is limited to Sprinkle Road from Zylman Ave to S Ave. Local traffic will be maintained at all times. This traffic pattern is expected to be in place for 4-6 weeks.

Dates of work: May 7, 2026 through July, 2026.

Location: Sprinkle Road, Zylman Ave to S Ave

Project Contact: Josh Hunsaker, 616-432-6740

PROJECT INFORMATION:
Village of Vicksburg
Wastewater System Improvements
Sprinkle Road Force Main

Dear Resident:

Beginning in the afternoon of **Thursday, May 7**, Sprinkle Rd between Zylman Ave and Branch Ave will be converted to a single lane of **one-way traffic going south bound for local traffic only, north bound traffic will not be permitted**. Please see the map on the reverse side of this flyer for the detour route for all northbound and thru traffic. For residents on the east side of Sprinkle Rd, all traffic entering and exiting the neighborhood will be directed through **Lum Street**. Gray St, Mahoney St, Hayes St and Waruf Ave will all be closed at Sprinkle Rd. On the west side of Sprinkle Rd, Biscayne Ave will be closed at Sprinkle Rd; please use **Pompano Ave** to enter and exit the neighborhood. We expect this section of work to last approximately 4-6 weeks. We apologize for any inconvenience – please understand this change to traffic control is for the safety of workers and the motoring public. Please allow yourself extra time for commuting and follow all posted traffic signs.

Construction updates can be found using QR code below or at www.preinnewhof.com/construction_projects/sprinkle-road/. Questions can be directed to the Project Engineer and Construction Observer listed below.
