There will be winners in three age categories, 3 through 6, 7 through 10, and 11 through 14. Top winners in each age group will receive a prize. All entries must be emailed or postmarked by October 16, 2022. View contest rules and download the contest template at https://www.kalamazoocountyroads.com/art_contest.php

Put the Brakes on Fatalities Day is a national road safety awareness campaign held each year on October 10. Roadway safety remains one of the most challenging issues facing Michigan and the nation. Motorists and all roadway users throughout the nation are asked to join a day-long effort on October 10, 2022 designed to increase awareness about safe road behaviors and keep the State's roadways fatality free.

The RCKC has served as the local road professionals of Kalamazoo County since 1909. RCKC remains committed to our goal of using our expertise, energy, and funds to provide the safest and most convenient road system possible, and to contribute to economic development and high quality of life throughout the county.
