Compliance with Federal Civil Rights Act of 1964

The parties hereto agree, when applicable, that they will comply with the Federal Civil Rights Act of 1964, the Federal, State and Local Fiscal Assistance Act of 1972, and all rules and regulations issued there under, as well as the applicable portions of the Elliott-Larsen Civil Rights Act and the Michigan Handicappers’ Civil Rights Act being Article 2, Act No. 220, Public Acts of 1976, as amended. Specifically, contractors and subcontractors are required not to discriminate against any employee or applicant for employment with respect to such person's hire, tenure, terms, conditions or privileges or employment or any matter directly or indirectly related to employment because of such person's race, color, religion, national origin, ancestry, age or sex or protected classes as defined by law. Breach of this covenant may be regarded as a material break of the contract or purchasing agreement and may be processed as provided under the State of Michigan laws.

The Kalamazoo County Road Commission in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 USC 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of gender, disability, race, color, or national origin in consideration for an award.
I hereby state that all of the information I have provided is true, accurate, and complete, and that I have read and I agree to be bound by the requirements/terms and conditions. I hereby state that I have the authority to submit this proposal, which will become a binding contract if accepted by the KCRC. I hereby state that I have not communicated with, nor otherwise colluded with any other bidder, nor have I made any agreement with, or offered/accepted anything of value to/from an official or employee of the KCRC that would tend to destroy or hinder free competition.

*This page must be submitted with vendor bid. Failure to do so may disqualify vendor bid.*
During the term of the agreement resulting from this Request for Bids, the Kalamazoo County Road Commission would like to afford the same prices, terms and conditions to other local governments, road commissions, and public schools located within Kalamazoo County or the State of Michigan even though their requirements are not included in the quantities listed on the Bid. Please indicate your willingness to extend your prices to other local governmental entities and public schools by checking the corresponding statement below.

Your response, either to extend or not to extend your prices, will not have an effect on the evaluation of your bid.

___________ I agree to extend my prices

___________ I do not agree to extend my prices
TERMS AND CONDITIONS

A. AWARD OF CONTRACT

1. The contract will be awarded to the responsible Vendor whose proposal, conforming to this solicitation; will be most advantageous to the KCRC according to the criteria outlined herein. The KCRC reserves the right to accept or reject any or all proposals and waive informalities and minor irregularities in proposals received.

2. Notification of award will be in writing by the KCRC Finance Director. Upon notification, the Vendor shall submit to the KCRC Finance Director all required insurance certificates and such other documentation as may be requested or required hereunder. Upon their receipt and subsequent approval by the KCRC, the Finance Director will forward to the Vendor a Purchase Order. Work shall NOT be started until such Purchase Order is received by the Vendor.

3. Unilateral changes in proposal prices by the Vendor shall not be allowed. However, the KCRC at its sole option, reserves the right to negotiate with Vendor.

B. DISCLOSURE OF PRICE DETERMINATION

After contract award, a summary of total price information for all submissions will be available for review by those Vendors participating in the bid/RFP.

C. REQUEST FOR PROPOSAL AS CONTRACT

Should modifications (after proposal opening) NOT be necessary; bid/RFP will be executed as the contract.

D. SUBCONTRACTORS - NON-ASSIGNMENT

Vendor shall state in writing any and all sub-contractors to be associated with this proposal, including the type of work to be performed. The Vendor shall cooperate with the KCRC in meeting its commitments and goals with regard to maximum utilization of minority and women-owned business enterprises.

The Vendor hereby agrees and understands that the contract resulting from this proposal shall not be transferred, assigned or sublet without prior written consent of the KCRC.

E. TAXES

The KCRC is exempt from all federal excise tax and state sales and use taxes. However, depending upon the situation, the vendor or Vendor may not be exempt from said taxes and the KCRC is making no representation as to any such exemption.
F. INVOICING AND PAYMENTS

Vendor must submit an invoice at minimum monthly (unless otherwise specified in bid proposal document) with KCRC purchase order and KCRC project number (as applicable) for the work completed during the month. Payment for a contract entered into as a result of the bid/ RFP will be made monthly in the next payment cycle following receipt and approval of the Vendor’s invoice and processing by the KCRC. The Vendor’s invoice must include detailed information regarding person-hours, including any subcontractor invoices, expended by classification and by task, as well as information regarding such items as materials and other eligible non-overhead costs. ALL INVOICES MUST BE CLEARLY ADDRESSED TO THE FINANCE DEPARTMENT AS FOLLOWS: “Finance Department – Invoice(s)”. Invoices may be submitted electronically at ap@krc-roads.com. Please submit invoice either electronically or by mailed hard copy – but not both.

G. CHANGES AND/OR CONTRACT MODIFICATIONS

The KCRC reserves the right to increase or decrease services or requirements, or make any changes necessary at any time during the term of this contract, or any negotiated extension thereof. Price adjustments due to any of the foregoing changes shall be negotiated and mutually agreed upon by the Vendor and the KCRC.

Changes of any nature, after contract award, that reflect an increase or decrease in requirements or costs shall not be permitted without prior approval by the KCRC.

H. LAWS, ORDINANCES AND REGULATIONS

This agreement shall be governed by the laws of the State of Michigan.

The Vendor shall keep fully informed of all local, state and federal laws, ordinances and regulations in any manner affecting those engaged or employed in the work and the equipment used. The Vendor and/or employees shall, at all times, serve and comply with such laws, ordinances and regulations.

Any permits, licenses, certificates or fees required for the performance of the work shall be obtained and paid for by the Vendor.

I. INDEPENDENT PRICE DETERMINATION

1. By submission of a proposal, the Vendor certifies as to its own organization that in connection with this proposal:
a. The prices in the proposal have been arrived at independently without consultation, communication or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other Vendor or with any competitor; and

b. Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the Vendor, and will not knowingly be disclosed by the Vendor, prior to award, directly or indirectly to any other Vendor, or to any competitor; and

c. No attempt has been made or will be made by the Vendor to entice any other person or Vendor to submit, or not to submit, a proposal for the purpose of restricting competition.

2. Each person signing the proposal certifies that either:

a. They are the person(s) in the Vendor's organization responsible within the organization for the decision as to the prices being offered in the proposal, and that they have not participated, and will not participate, in any action to A. AWARD OF CONTRACT 1, 2 and 3, above; or

b. They are not the person(s) in the Vendor's organization responsible within that organization for the decision as to the prices being offered in the proposal, but that they have been authorized in writing to act as agent for the persons responsible for such decision in certifying that such persons have not participated, and will not participate in any action contrary to A. AWARD OF CONTRACT 1, 2, and 3 above, and, as their agent, do hereby so certify, and that they have not participated, and will not participate, in any action contradictory to A. AWARD OF CONTRACT 1, 2, and 3, above.

3. A proposal will not be considered for award if the statement required in the Cost and Price Analysis portion of the proposal has been altered so as to delete or modify A. AWARD OF CONTRACT 1, 2, or B. DISCLOSURE OF PRICE DETERMINATION, above. If A. AWARD OF CONTRACT 2 has been modified or deleted, the proposal will not be considered for award unless the Vendor furnishes, with the proposal, a signed statement that sets forth in detail the circumstances of the disclosure, and the Finance Office determines that such disclosure was not made for the purpose of restricting competition.

J. RIGHT TO AUDIT

The KCRC or its designee shall be entitled to audit all of the Vendor's records, and shall be allowed to interview any of the Vendor's employees, throughout the term of this contract and for a period of three years after final payment or longer if required by law to the extent necessary to adequately permit evaluation and verification of:

1. Vendor's compliance with contract requirements,
2. Compliance with provisions for pricing change orders, invoices or claims submitted by the Vendor or any of their payees.

K. HOLD HARMLESS

If the acts or omissions of the Contractor/Vendor or its employees, agents or officers, cause injury to person or property, the Contractor/Vendor shall defend, indemnify and save harmless the KCRC, its agents, officials, and employees against all claims, judgments, losses, damages, demands, and payments of any kind to persons or property to the extent occasioned from any claim or demand arising there from.

L. DEFAULT

The KCRC may at any time, by written notice to the Vendor, terminate this contract and the Vendor's right to proceed with the work, for just cause, which shall include, but is not limited to the following:

1. Failure to provide insurance and bonds (when called for), in the exact amounts and within the time specified or any extension thereof.

2. Failure to perform the services within the time specified herein, or any extension thereof.

3. Failure to make progress if such failure endangers performance of the contract in accordance with its terms.

4. Failure to perform in compliance with any provision of the contract.

5. Standard of Performance - Vendor guarantees to provide the services rendered herein in accordance with the accepted standards of the industry or industries concerned herein, except that if the specifications call for higher standards, then such higher standards shall be provided.

In the event of any breach of this contract by the Vendor, the Vendor shall pay any cost to the KCRC caused by said breach including but not limited to the replacement cost of such services with another Vendor.

The KCRC reserves the right to withhold any or all payments until any defects in performance have been satisfactorily corrected.

In the event the Vendor is in breach of this contract in any manner, and such breach has not been satisfactorily corrected, the KCRC may bar the Vendor from being awarded any future KCRC or City contracts.
M. INDEPENDENT CONTRACTOR

At all times the Vendor, any of its employees, or its sub-contractors, and their subsequent employees shall be considered independent contractors and not as KCRC employees. The Vendor shall exercise all supervisory control and general control over all workers’ duties, payment of wages to Vendor's employees and the right to hire, fire and discipline their employees and workers.

N. PROJECT CONTROL AS APPLICABLE

1. The Vendor will perform the work under the direction and control of the ______________ for the KCRC.

2. The Vendor will submit, along with the billing statement, written summary reports of progress (when applicable) which outline the work accomplished during the reporting period, work to be accomplished during the subsequent reporting period, and any problems which have arisen or may arise which should be brought to the attention of the KCRC ________________ and may need approval for significant deviation from work previously agreed upon.

O. INSPECTION OF WORK SITE

Before submitting bids for their work, the Vendor shall be responsible for examining the work site (when applicable) and satisfy itself as to the existing conditions under which they will be obliged to operate, or that in any way affects the work under this contract. No allowance shall be made subsequently in behalf of the Vendor for any negligence on his/her part.

P. RESPONSIBILITIES

The KCRC agrees to provide full, reliable information regarding its requirements for the Project and, at its expense, shall furnish the information, surveys and reports, if any, as described in the specifications. In addition, the KCRC agree to provide, at its expense and in a timely manner, the cooperation of its personnel and such additional information with respect to the Project as may be required from time to time.

Q. TERMINATION

The KCRC may terminate this Agreement by giving written notice at least thirty (30) days prior to the date of termination.

1. In the event of such termination by the Vendor, the KCRC, together with any other remedies that are legally available, may withhold any subsequent payment due under this agreement until such time as the services required to be performed under this Agreement have been
In the event that the KCRC incurs additional expenses caused directly or indirectly by the termination of this Agreement, together with such other remedies as are legally available, the KCRC shall be entitled to deduct such expenses from any unpaid amount due to the Vendor under this agreement.

2. In the event of such termination by the KCRC, the KCRC shall pay the Vendor for services and reimbursable expenses performed or incurred prior to the termination date plus all costs and expenses directly attributable to such termination for which the Vendor is not otherwise compensated.

R. USE OF DOCUMENTS AS APPLICABLE

Provided to the KCRC: All plans, drawings and specifications provided to the KCRC under this Agreement shall become property of the KCRC and shall be deemed public records as required by Michigan law. The KCRC shall be entitled to use such documents for its own municipal purposes only, and shall have no authority to sell them at a profit to any third party. Any use of such documents by the KCRC for municipal purposes not related directly or indirectly to the scope of the services provided for by this Agreement shall create no liability for the Vendor, and the KCRC agree to indemnify and hold the Vendor harmless from any and all reasonable damages, losses, attorney fees, costs, and/or reasonable expenses which the Vendor may incur as a result of such use by the KCRC.

S. CONFLICT OF INTEREST

The Vendor shall not be allowed to work as a contractor or sub-contractor on any project within the scope of this contract that constitutes a conflict of interest.

T. NO WAIVER

Either party's failure to insist on strict performance of any term or condition of the contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

U. INSURANCE

VENDOR shall furnish certificates of the following coverage to the KCRC.

1. Without limiting its liability under the Contract, VENDOR shall procure and maintain insurance, at its expense, during the life of the Contract of the types and in the minimum amounts stated in Exhibit A.

2. The Comprehensive General Liability policy shall also include blanket contractual liability coverage or a contractual liability endorsement covering the liability assumed by VENDOR under the Contract with limits not less than those specified above. The Certificate of Insurance to be furnished there under shall reflect such coverage.
3. The VENDOR shall hold harmless from and indemnify the Kalamazoo County Road Commission, its agents, officers, board members, and employees against all claims, suits, actions, costs, counsel fees, expenses, damages, judgments or decrees, or negligent acts of the VENDOR, or any person employed under said VENDOR during the performance of this Contract or in any matter related thereto.

4. All insurance coverage required to be furnished by VENDOR shall be written by a company or companies licensed to do business in and to insure risks incurring in the State of Michigan. Wherever umbrella coverage is required to comply with limits specified, the umbrella policy shall include all coverage requirements. Before commencing any work, certificates in triplicate, satisfactory in all respects, evidencing the maintenance of said insurance, shall be furnished and shall contain the following statement:

"The insurance will not be canceled nor any changes made in the policy which change, restrict, or reduce the insurance provided, or change the name of the insurance, without first giving thirty (30) days notice in writing as evidenced by return receipt or registered or certified mail."

Certificate must indicate “The Board of Kalamazoo County Road Commissioners of Kalamazoo County, the Kalamazoo County Road Commission and their officers, agents, and employees, are named as additional insured parties as their interest may appear.”

The insurance certificates indicated above shall be submitted within ten (10) workday days of notification of award and prior to the execution of any work under this contract.

It shall be the Vendor’s responsibility to provide similar insurance for each subcontractor, or to provide evidence that each subcontractor carries his own insurance in like amounts; prior to the time such subcontractor proceeds to perform under the contract.

5. Comprehensive professional (errors and omissions) liability insurance with limits no less than $500,000 aggregate which shall insure against acts which are in the nature of professional services performed by architects and engineers. If a contract is entered into, the Vendor shall maintain such insurance during the life of the contract.
Exhibit A

INSURANCE REQUIREMENT

It is the policy of the Board of County Road Commissioners of Kalamazoo County (Board) that any contractor or person working within the public county road right-of-way is required to obtain a permit to construct, operate, use and/or maintain within a county road right-of-way, under the jurisdiction and control of the Board.

INSURANCE REQUIREMENTS FOR ALL PERMITTED ACTIVITIES PERFORMED BY CONTRACTORS

(Except residential driveways, transport and miscellaneous permits)

General Liability

$ 2,000,000 each occurrence (Recommended)
$ 1,000,000 each occurrence (Minimum)

In addition, the General Liability insurance shall be endorsed to add the Board as an “Additional Insured Party” on the policy. The endorsement should include the wording that includes:

“The Board of Kalamazoo County Road Commissioners of Kalamazoo County, the Kalamazoo County Road Commission and their officers, agents, and employees, are named as additional insured parties as their interest may appear.”

Automobile Liability - Bodily Injury and Property Damage

$ 2,000,000 each occurrence (Recommended)
$ 1,000,000 each occurrence CSL (Minimum)
$ 500,000 BI per person

WORKERS’ COMPENSATION INSURANCE REQUIREMENTS FOR CONTRACTORS AND SUBCONTRACTORS

Workers’ Compensation Insurance – Part I Statutory Limits
Employers Liability Insurance – Part II $500,000 Each Accident
$500,000 Disease - Each Employee
$500,000 Disease - Policy Limit

INSURANCE REQUIREMENTS FOR RESIDENTIAL DRIVEWAY AND MISCELLANEOUS PERMITS PERFORMED BY HOMEOWNERS AND/OR RESIDENTIAL WORKSITE LANDOWNERS

Homeowners Policy with Binder on primary residence and the worksite property:

Bodily Injury and Property Damage $500,000 (Minimum Recommended)

AND/OR

“Owner’s Protective Policy” with completed operations coverage language for short-term installation of culvert and/or driveway construction or other operation described.

The goal of the Board insurance requirements is to assure that any action brought as a result of the permittee’s activities in the public road right-of-way will be defended by and paid for by permittee’s insurance carrier and will not result in action or settlement against the Board. However, this amount is subject to change as the commission’s estimate of the exposure to risk and resultant claims amount may change.

SPECIFICATIONS

Asphalt Emulsion Storage Tank

The intent of these specifications is to describe the purchase of a heated asphalt emulsion storage tank. Where any parts of these specifications are not mentioned or not completely described, it is to be understood that the parts to be furnished shall conform to the standard usually provided by the best engineering practice in strength, quality and workmanship. If there are questions regarding these specifications please contact Travis Bartholomew, Operations Director (269) 381-3170, extension 240.

Attach an additional sheet detailing items that do not meet KCRC specification if necessary.

Kalamazoo County Road Commission – Asphalt Emulsion Storage Tank

System supplier shall provide the below specified items as a complete system. The supplier shall be responsible for the system as a whole not just the individual components.

- 8,000 gallon tank manufactured of 1/4” carbon steel oriented to be mounted vertically. Diameter of the tank must be less than 12’.

- Tank to be insulated with 3” thick foil backed foam, and then covered with aluminum sheeting for weather protection and secondary containment. Tank shall include a 24” insulated manhole in the side of the tank at the bottom to provide access into the tank if necessary. **Bottom of tank to be constructed with 1 inch slope away from the side access manhole for easy clean out.**

- Tank to be attached to an engineered steel support structure that elevates the tank loading valve 7’ above grade for gravity flow loading of portable equipment.

- Tank to include and access ladder from ground level to the top of the tank. Top of tank to be fitted with an inspection door. Ladder must be caged for safety and tank must have OSHA approved ladder and railing around the top.

- Tank to be equipped with 8-1000 watt 240 volt single phase heater blankets or equivalent. Heat blankets to be controlled by an adjustable thermostat with a temperature range of 50 degrees – 200 degrees fahrenheit. Thermostat to be accessible from ground level within a weather proof control panel. Tank must include a mechanical temperature gauge visible from ground level. All electrical components and cabinets must be compatible for outdoor service meeting NEMA 3R standards. Outer tank covering shall have a removable panel that is insulated to allow easy access to service the heat blankets.

- Tank to be equipped with two 3” steer lever ball valves and check valves for loading and unloading material. Ball valves must be wrapped with 240 volt heat tape and insulated to aid in cold weather operations. Insulation covering the valves shall be silicon design and made to fit the valves. Heat tapes for valves to be secured by buckle latches and easily removable for
servicing. Ball valve assemblies must be capable of accepting a padlock security device to lock the valve in the closed position. A third 3” insulated ball valve and secondary quick disconnect cap shall be mounted on the bottom of the tank on the low side of the slope to aid in cleanout.

- Tank to include a 15’ long 3” diameter heavy duty flexible hose fitted on one end with a quick coupler which mates to the loading/un-loading valves and a steel 90 degree elbow equipped with a ball valve on the opposite end.

- Tank to include a top mounted mechanical paddle type agitation system. Agitation unit to be automatically controlled by a programmable timer capable of 1 minute increments ranging from 1 – 30 minutes. The agitator speed shall not exceed 6 rpm’s to avoid whipping the emulsion and causing separation. Agitator drive shall be greaseable from ground level.

- Tank shall be equipped with a liquid emulsion, gravity type metering device capable of measuring material in gallon increments and printing a receipt. Please describe the type of metering device included with your bid.

- Tank shall also include a material quantity site gauge, easily viewed from ground level and calibrated in 100 gallon increments.

- Tank and its components to have a five (5) year warranty; excluding the concrete pad, incoming electrical service installation and components which are supplied by independent contractors.

- Awarded vendor must provide a factory trained representative to assist in the installation and preparation the tank for operation. The vendor will also provide complete operation and maintenance training to KCRC staff.

- Foundation preparation, installation and wiring of the asphalt emulsion storage tank control panel aren’t included in the bid and are the responsibility of KCRC.

- Tank and structure must meet all applicable Federal and State codes including electrical components and wind velocity requirements. Successful bidder shall certify the tank and structure meets such laws and codes.

**ITEMS TO BE SUPPLIED BY KCRC FOR TANK INSTALLATION**

- **Concrete pad as per the following specifications:** Vendor must supply a complete foundation plan engineered to meet the load and wind requirements of the structure. Plans must include a scaled diagram for reference. KCRC will provide provide/construct the foundation structure to support the tank assembly per specifications provided by the vendor.
• **Mobile crane or other lifting device:** KCRC will provide a lifting device (crane) to unload the tank from the delivery trailer, maneuver the tank and stand into position on the concrete foundation.

• **Tank securement to foundation:** KCRC will provide the service to weld the tank stand mounting legs to the weld flanges installed into the concrete foundation.

• **Electrical service:** KCRC will supply a single phase 100 amp service to the control panel located at the tank. KCRC will also provide an electrical service contractor to wire the tank control panel to the electrical service.
